

PROSPECTUS
OF the G.S
Teacher's
Training
College

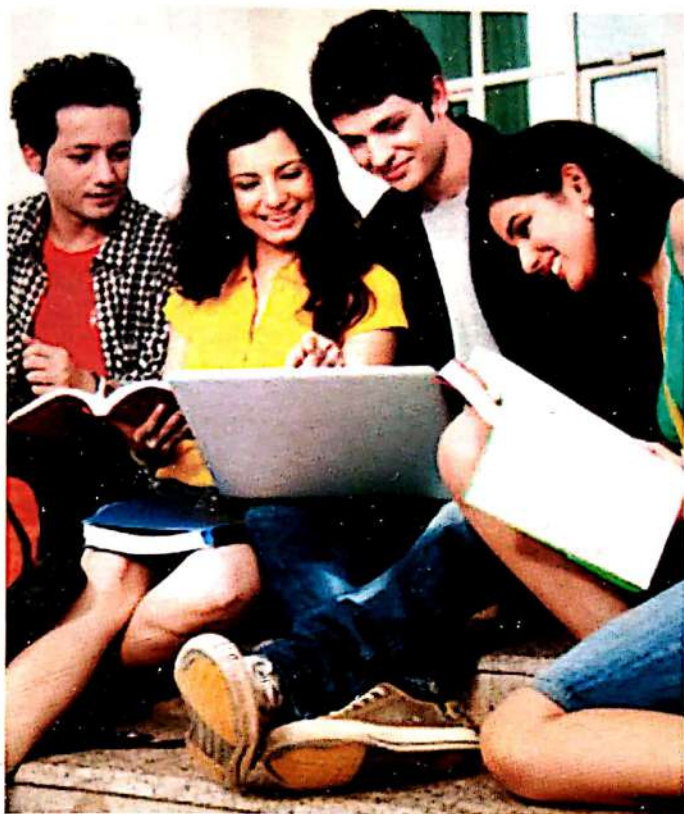

B.Ed
&
D.El.Ed.

Our & Vision Mission

G.S. Teacher's Training College has been envisioned to introduce and initiate future teachers into the process of transformation into efficient and competent beings who can lead and guide the children of tomorrow towards the world of knowledge. with holistic training components, skill- orientation and value - education as the foundation of the teacher education.

Courses On Offer

At present, G.S. TTC is offering B.Ed. Regular two year courses and D.El.Ed. Regular two year course. The college staff is very well-qualified, experienced and hard working. We have developed a decent campus having modern infrastructure and enriched facilities which include spacious and well furnished class-rooms, separate common rooms for girls and boys, well equipped labs, well stocked library, wi-fi internet facility for students and staff, canteen facility, transport

"Teaching is the one profession that creates all other professions."

Bachelor of Education (B.Ed.)

Bachelor of Education (B.Ed.) is a postgraduate course offered for those interested in pursuing a career in teaching. The B.Ed. degree is mandatory for teaching at the secondary (classes 9 and 10) and higher secondary (10+2 or classes 11 and 12). The minimum qualification required for entry into B.Ed. course is Bachelor in any discipline.

The duration of the course is two years. After B.Ed., students can pursue Master of Education (M.Ed.) in teacher-training institutes offering the course.

B.Ed. course is affiliated to Maulana Mazharul Haque Arabic & Persian University, Patna and recognized by National Council For Teacher Education, New Delhi. The medium of instruction for the course is Hindi & English.

Admission to B.Ed. course is through centralized entrance test conducted by MMHA&P University and based on qualifying degree marks.

Courses on Offer

Diploma In Elementary Education (D.El.Ed.)

You can be a government school teacher with a diploma in elementary education after passing class 12th. Perhaps this is the shortest route to become a teacher in government school. Though school teaching may not pay a lot, but it comes with relatively good benefits and in public schools, the much needed job security. For being a primary teacher, an aspirant can pursue a two-year diploma in elementary education, which is known by different names like BTC, PTC, ETE, D.El.Ed, DED, and TTC etc.

D.El.Ed. course is affiliated to Bihar School Examination Board, Patna and recognized by National Council For Teacher Education, New Delhi. The medium of instruction for the course is Hindi & English.

Admission to D.El.Ed. course is through entrance test conducted by G.S. Teacher's Training College and based on qualifying degree marks.

the Infrastructure & Facilities At G.S. TTC

At G.S.TTC state-of-the-art infrastructure inspires our students on a lifelong endeavour of excellence. After all, our students are the teachers of our future generations. They bear the most important job of guiding our future generations. And the conducive infrastructure helps them prepare to be the best that they can be, and in turn, nurture our tomorrow even better.

The College has established guidance and Placement cell.

Dispensary

The college has first aid medical facilities available in the college.

“ In a completely rational society, the best of us would be teachers and the reast of us would have to settle for something else”

rules & regulations

The Institute aims at maintaining high academic standards and insists on the given rules to be known and followed by students of the G.S. Teacher's Training College to help ensure that new teachers are ready to succeed in the classroom and that every student is taught by a great educator.

As an educator, we know that one of the strongest in-school influences on students is the teacher in front of the classroom. As an Institution, there is so much more we can do to help prepare our teachers and create a diverse educator workforce.

These regulations will help strengthen teacher preparation so that prospective teachers get off to the best start they can, and preparation programs can meet the needs of students and schools for great educators.

-  All the students have to reach the college campus before morning assembly. Attending assembly is essential for all the students 'Thoughts Of the Day' is displayed on the notice board and "Meditation" is made mandatory and the Prayer is recited daily.
